- The portfolio is submitted on CANVAS as a PDF of a Google Slide Presentation.
  - The portfolio will ONLY be ACCEPTED for grading as
    - a submission through CANVAS and

Use this sheet as a checklist. Example slides are on class website under FINAL or you can find a link on CANVAS under the assignment.

## SLIDE No.1: Cover/Introduction Slide

Your cover slide is an introduction to you and the purpose of the portfolio. Information that must be included is as follows:

☐ First & Last Name ☐ Class and class period: Art 2 with (either 3R or 7R) ☐ 2018-2019 ☐ "Title" (a creative title that is original to you & your portfolio)

## SLIDE No.2: Portrait

We will take this picture during class if time permits. Leave a slide blank and ready. If you miss that class or we do not get a chance to take the picture in class, put an appropriate selfie on this slide.

## SLIDE No.3: Journal Entry

**[Foreword** – the question 'I feel challenged in this class' is posed on the teacher survey. (It is anonymous, so I don't know specifics, only the numbers from both Art 2 classes.) The majority of students either checked 'strongly agree' or 'agree', however, two students checked 'disagree' and one student checked 'not applicable'. As a teacher, I believe the individual level of each student in my classes are different and it is my job to pose and facilitate challenging problems to solve for a wide range of abilities, but ultimately each individual is responsible for his/her own learning. Meaning that I feel I can guide each of my students and set high standards, but the depth of learning (i.e. challenge) of which he/she pushes himself/herself is determined intrinsically.]

For your journal entry, honestly answer and provide your feelings/opinions on the following:

☐ I feel challenged in this class. (Strongly Agree, Agree, Disagree or Strongly Disagree) ☐ Explain your position on the statement. (Feel free to comment on the foreword as well!) ☐ What have you done this year to challenge yourself as a student artist? ☐ Explain and give specific examples!

## SLIDE No.4: KWL Chart

☐ Describe something about visual art you already knew before you started this course (maybe what you learned in Art 1?) ☐ Describe something you wanted to learn ☐ Describe something you learned this year
